10/10/2012 - The most famous account of Leopold’s Congo is Joseph Conrad’s novel Heart of Darkness (1899). With its grisly, bloody imagery, one might imagine that Conrad exaggerated the awfulness of the regime. In fact the cold details of missionary journals make even more horrifying reading. William Henry Sheppard, a Presbyterian missionary, recalled in his diary passing by …

– Joseph Conrad, Heart of Darkness “We feel now that our rule over these territories can only be justified if we can show that it adds to the happiness and prosperity of the people, and I maintain that our rule does, and has, brought security and I maintain that our rule does, and has, brought security and peace and comparative prosperity to countries that never knew these blessings …

In addition, post-colonial theory might point out that "despite Heart of Darkness's (Joseph Conrad) obvious anti-colonist agenda, the novel points to the colonized population as the standard of savagery to which Europeans are contrasted" (Tyson 375). Post-colonial criticism also takes the form of literature composed by authors that critique Euro-centric hegemony. A …
